[Despatch Abstract.]

Industries — Sericulture — Govt. Silk Filatures, Kollegal — Filature employees Cooperative Stores — Shifting from lunch shed to Cocoon Stores — Additional expenditure — Sanctioned

No. 193-M.1/48. dated 3-8-1948. Industries and Commerce Department.

From

Sri P. Govinda Menon, B.E.,
Joint Director of Industries and Commerce, Madras.

To The Secretary to Government, Development Department, Madras.

Sir,

Subject: Industries- Sericulture- Government Silk Filatures, Kollegal- Filature Employees' Co-operative Stores- Shifting from Lunch shed to cocoon stores- Improvement to Cocoon stores sanctioned. Additional Expenditure sanction- Requested.

Reference: G.O.Ms.No. 102, Development dated 8-1-1948.

In the G.O. cited Government were pleased to sanction an expenditure not exceeding Rs. 2320/- (Two thousand three hundred and twenty only) for carrying out certain improvements to the Cocoon stores of the Government Silk Filatures Kollegal for accommodating the filature employees' Co-operative Stores. Tenders were called for for executing the work. Only one Tender was received from Sri N.Srinivasan, Contractor, Kollegal for Rs.2,650/-. Including the provision of 5% over the tender amount towards petty contingencies and supervision the total amount required for executing the work comes to Rs.2,915/-.

When the estimate was originally submitted to Government, provision was made therein for the use of country wood on the work. But subsequently it was found that the country wood used in some of the buildings in the Government Silk Filatures, Kollegal deteriorated quickly and this point was pointed out in Audit by the Accountant General. In reply to audit it was explained, that as a war time measure, country wood was used since teak wood was then prohibited to be used. Now that there is no restriction for use of Teak wood and teak-wood is also available, it is proposed to use teak-wood instead of country wood for the work in question.

The tender rates are for teak wood. The excess expenditure is therefore partly due to the change over from country wood to teak wood and partly due to the increased cost of cement. I therefore request that Government may be pleased to sanction an additional expenditure of Rs. 600/- for this work as the estimate has to be revised to Rs. 3520/-.

for Joint Director of Industries and Commerce.
